Rose Gallup Cohen

Out of the Shadow

In this interesting autobiography we get a very candid look into the life of Rose Cohen, a Russian Jewish girl who immigrates from Russia to the Lower East Side of New York city with her family. From the deplorable conditions in the garment sweatshops, life in the tenements, the setbacks due to poor health and the slow weakening of the family's faith she provides us with a vivid insight into the hopes and frustrations of an immigrant Jewish family adapting to American life. (Celine Major)
